インターナショナルディ

　１年生を対象に 14 カ国から 29 名の JICA の留学生をお招きして実施することができました。

以下は校長の歓迎の挨拶です。

Hello, everyone. Welcome to Fujishiro High School. I am Principal Akiyama Katsumi. Last year, we could not have this event because of coronavirus. So, we are very happy to be having International Day with 29 JICA members from 14 countries this year. I'm grateful to JICA. Our students are serious and shy, *me too.*（笑） So sometimes they have difficulty expressing themselves. However, with your support, I hope everyone will have a great time sharing each other's culture. The 240 1st year students have been looking forward to this event very much, so please take care of them and help them have a precious experience. Thank you!!!!!!
